Progress

Progress is calculated from the collective prior attainment of the pupils namely the combined scores generated by the levels they attained in reading, writing and maths at the end of Key Stage 1 in Year 2. **A progress score of broadly zero would indicate that overall expected progress was made.** A negative score would consequently indicate less progress was made than would have been expected as an average and a positive score more progress.

	Subject	Progress Measure
Y6 (Academy)	Reading	-2.1
	Writing	+1.6
	Maths	-0.9
